	Submit the application form with supporting documents to innoem@psu.ac.th
June 5, 2024	Announcement of shortlisted candidates for interview on the website at https://innoem.eng.psu.ac.th
June 7, 2024	Online interview via ZOOM
June 9, 2024	Announcement of candidates eligible for admission on the website https://innoem.eng.psu.ac.th
June 2024	Report for student registration details can be viewed at https://reg.psu.ac.th

4. Application documents and submission to the university

4.1 Application Documents

- 1) A completed application form with a recent passport-size photograph (no hat and dark glasses) and signature.
- 2) A copy of passport (certified true copy with signature)
- 3) A copy of high school diploma or equivalent (certified true copy with signature) and examination results transcript.
- 4) A portfolio (not exceeding 10 pages including covers)
- 5) A copy of certificates/diplomas (if any) (certified true copy with signature)
- 6) Language proficiency test results in English (IELTS, TOEFL, TOEIC, Duolingo English, or NCEE-Nation College Entrance Examination) (if any)

4.2 Submission of Application Documents

Applicants should compile all application documents as specified in 1) – 6) into one file, saved as a (.pdf) file not exceeding 20 MB in size, and send it to e-mail: innoem@psu.ac.th by June 4, 2024.

Applicants must ensure that the documents are accurate and complete before uploading, as incomplete or unclear documents will not be considered by the program committee.

5. Interview

The university will conduct online interviews via Zoom (Zoom Meeting: <https://zoom.us/j/9990017018> or Meeting ID: 999 001 7018).

Those eligible for interviews who fail to attend at the specified date and time will be considered to have forfeited the opportunity.

6. Selection process

- 6.1 The university will initially review the general qualifications and specific qualifications of the applicants. Those who do not meet the qualifications set by the Faculty of Engineering will be disqualified.
- 6.2 Once the applicants pass the initial selection (as per 6.1), they will be eligible for the interview. The interview panel will conduct interviews in English and consider other supporting documents provided during the application process (as stated in 4.1). The interview panel will evaluate the interview results and make decisions regarding admission.

Note: Once admitted to this program, students must continue their studies in the Program of Innovation Engineering and Management (International Program) and cannot transfer to other programs.

7. Conditions for Admission

Students selected for admission under this program must maintain academic performance as specified by the faculty/department.

8. Conditions for Successful Completion of Studies at Prince of Songkla University

- 8.1 Students must satisfactorily study and complete assessments in various subjects as per the curriculum, regulations, and requirements of their respective departments, following the regulations of Prince of Songkla University.
- 8.2 Students must pass the English language examination according to the minimum standards set by their respective departments.

9. Payment of tuition fees and registration as a student

Students who have passed the selection process are not considered students of Prince of Songkla University until they have registered as students, and they must pay the tuition fees before registration. For more details, please refer to the Office of the University Registrar and Academic Services, Hat Yai Campus at <https://reg.psu.ac.th>.
