May – June 2025	Students must officially register and pay their tuition fees. Further details can be followed on the website http://reg.psu.ac.th.

4. Required Application Documents and Upload Instructions
4.1. A copy of the high school transcript or equivalent (1 set), certified as a true copy and signed.
4.2. A copy of the national ID card (front side only) or student ID card (must include the 13-digit national ID number), certified as a true copy and signed.
4.3. Portfolio (maximum 10 pages including cover).
4.4. Copies of certificates/diplomas (if available), certified as true copies and signed.
Remarks:
Applicants must upload all required documents (from items 4.1 to 4.4) as a single PDF file, no larger than 25 MB, to the system via https://e-admission.psu.ac.th by **7 November 2024**. Incomplete or unclear document submissions will result in an invalid application.

5. Selection Process
5.1 The university (through the faculty) will first check the general qualifications (Section 1) and specific qualifications (Section 2) of the applicants. If any applicant does not meet the faculty or program's requirements, they will not proceed to the next step.
5.2 If the number of applicants exceeds the available spots, the faculty will rank candidates based on their cumulative GPAX and other supporting documents submitted for consideration. The selection will be at the discretion of the committee.

Remarks:
Those selected for this program must continue their studies in the Rubber Engineering (International Program). They cannot transfer to another program.

The decision of the Faculty of Engineering selection committee is final.

6. Graduation Requirements from Prince of Songkla University
